

## List of known manufacturers/suppliers/institutions involved in Installation of flat plate collector based solar driers/air heating systems

Note : The list is not exhaustive and is based on the information available in the Ministry. Presently there are no standards on solar dryers/air heating systems and the manufacturers/ suppliers/ institutions mentioned in the list have been installing the systems based on the technical know how and experience available with them. It will, therefore, be the responsibility of beneficiaries to ensure quality and performance of the system supplied by them. Technical Back up Units cum Regional Test Centers & State nodal agencies of the Ministry may be consulted in this regard if necessary.
