

F. No. 19-24/2010-BE-BGFP
Ministry of New and Renewable Energy
Bio-energy Technology Development Group

Empanelment of Consultants, Technology Providers and Project Executors for ‘Demonstration of Integrated Technology-Packages on Medium-Size Biogas Fertilizer Plants (BGFP) for Biogas Generation, Purification, Bottling, Power Generation (3-250 KW) and Space Cooling & Refrigeration

Applications in prescribed format are invited for Empanelment of Consultants, Technology Providers and Project Executors for the following MNRE Biogas Technologies/Programmes:

- i. Development of projects on “Demonstration of ‘Integrated Technology- Package on Medium-size Biogas-Fertilizer Plants (BGFP) for Generation, Purification/ Enrichment, Bottling and Piped distribution of Biogas towards harnessing ‘Near Total Potential of suitable Biomass in Rural Areas’.
 - ii. Establishment of Business Model for Demonstration of an Integrated Technology Package for creation of smokeless villages using biogas/ bio-energy systems and meeting ‘Life-line Energy’ envisaged in ‘Integrated Energy Policy’ of Planning Commission.
 - iii. Biogas based Distributed/Grid Power Generation Programme from 3 KW to 250 KW capacity.
 - iv. Biogas based Space Cooling and Refrigeration in various capacity ranges (proposed).
2. The details of the programmes are available on MNRE website <http://www.mnre.gov.in>.
3. The interested project consultants may send request in the prescribed format given at **Enclosure-I** to Adviser (Bio-energy) of this Ministry at the earliest.
